In order to take advantage of the benefits provided by the relevant regulations, no later than 10 days after matriculation, eligible students need to attach their certification of disability and/or DSA in the dedicated section on unical.esse3.cineca.it.

The certification must attest the state of invalidity, disability or SLD issued in the country of residence, accompanied by a legal translation by an official translator or certified in accordance with the original text by the Italian diplomatic representations, in Italian or in English. The University of Calabria will ensure that the foreign documentation certifies a condition of invalidity, disability or specific learning disability recognized by Italian law.

Art. 10 Verifications
Presented declarations will be subject to verification according to articles 71 and 75 of decree n.445/28 December 2000 of the President of the Republic. In the case of an ascertained untruthful declaration, exclusion from the competition will be carried out with consequent forfeiture of the possibility of enrolling for the academic year 2022/2023 or closure of the career already activated, notwithstanding the provisions of article 76 of the aforementioned legislation on the subject of criminal penalties.

Art. 11 The Process Manager and Data Protection Contact Person
The Process Manager and Data Protection Contact Person is Dr. Gianfranca Russo, email: area.servizididattici@unical.it.

Pursuant to Article 13 of Regulation (EU) 2016/679, students are hereby informed that the personal data they provide will be processed in accordance with EU Regulation 2016/679, as well as the Legislative Decree No. 196/2003. Personal data will be processed exclusively for institutional purposes. For further details, please refer to the information in Annex A.

ANNEX A - Disclosure pursuant to Article 13 Regulation (EU) 2016/679 (GDPR).
This notice fulfils the requirement of Regulation (EU) 2016/679, General Data Protection Regulation (henceforth, GDPR), which, pursuant to Article 13, states the obligation for any institution to provide the data subjects with the necessary information to ensure the correct and transparent processing of their personal data.
Data controller: University of Calabria.
Data protection contact person: Dr. Gianfranca Russo, Head of the Educational Services Area of the University of Calabria, email: area.servizididattici@unical.it.
Data Protection Officer: Lawyer Sergio Niger, email: rpd@unical.it.

Purposes and legal basis of data processing
The data provided with the submission of the application for admission to degree courses or subsequently,
after passing the competition for admission, at the time of enrollment and during students’ educational path, up to the final graduation examination, is collected and used within the limits established by laws and regulations and will be processed for institutional purposes. It should be noted that the processing is carried out in accordance with the general principles of lawfulness, transparency, correctness, accuracy, minimization, confidentiality and integrity referred to in Article 5 GDPR and that the data will be processed for administrative and educational activities exclusively. The University will also be entitled to process personal data for statistical and scientific purposes and, among other things, to facilitate the analysis and improvement of teaching and research activities, services, as well as for equal access to university purposes.

**Method of processing and data subjects**

Personal data requested and acquired is collected and processed both in paper form and by electronic means (computers) for purposes related to the performance of University's institutional activities.

The calculation of fees and contributions requires access to students' households' income data by the University. This data is mainly processed by means of computer systems and used for the purpose of calculating fees and university contributions.

Data is also communicated to the Public Administrations in charge of controls, by way of illustration, Agenzia delle Entrate, INPS and Guardia di Finanza (Revenue agency, the National Insurance Institution and Finance Police). Any categories of special data and/or judicial data will be processed in accordance with the GDPR and in compliance with the Regulations for the Processing of Sensitive and Judicial Data of the University of Calabria.

The provision of some personal data (last name, first name, residence address, tax code and e-mail address) is necessary for creating a liaison between students and the University, therefore this data is mandatory. Failure to provide such data, will result in the impossibility for the University to activate and implement relevant administrative procedures.

**Rights of data subjects**

In some specific circumstances, data subjects will be entitled by the Data Controller to access to their personal data in order to amend or erase them or to restrict their processing, data subjects will also be entitled to object to their data processing (Articles 15 et seq. of the GDPR).

These rights can be exercised by submitting a written application to the Data Controller.

Minor students are asked to carefully read this notice together with their parents or legal guardian before communicating their data to the University.

A notice with further details is available at unical.it/privacy.
