DECREES

Art. 1 – Announcement

The University of Calabria announces a public selection for **NON-EU student’s admission** to 2nd Cycle International Degree Courses (Two Years’ Master’s Degrees) for Academic Year 2022/2023. The slots available for each Degree Course are listed in annex B.

The University of Calabria awards also **120 scholarships** that include the enrolment pack, board, lodging, and an allowance

The University of Calabria offers a worldwide advantageous enrolment pack to those students not eligible for a scholarship, as mentioned in annex A.

Art. 2 - Admission requirements

All NON-EU students holding a qualification obtained at a University abroad, valid to access International Master’s Degree Courses in Italy, can participate. Students who will get their qualification during the a.y. 2021/2022 can provisionally participate in the competition. Failure to obtain their qualifications will result in the applicants losing their right to enrol.

NON-EU students must apply for pre-registration according to the calendar for admission procedures at Universities for a.y. 2022/2023, published on the website <http://www.universitaly.it>. The pre-registration application is provisionally accepted by the Italian diplomatic missions if the student is attending the last year of University and is about to do the final graduation exam.

For more information on the pre-registration procedure at the Italian diplomatic missions, please see:

UNIVERSITÀ DELLA CALABRIA

After enrolment, applicants will have to submit to the International Relations Office, Welcome Office service, Via Savinio – Residential Centre area, within the first exam session of a.y. 2022/2023, their qualification with its official translation into Italian, authenticated by the Italian Diplomatic Mission in charge of their territory or endorsed with Apostille. Moreover, they have to present the Declaration of Value, issued by the Italian diplomatic mission in charge of their territory or, **as an alternative**, the certification issued by ENIC-NARIC centres (www.enic-naric.net) in Italian or in English, such as the Statement of Comparability of foreign qualifications issued by CIMEA within 02/28/2023. Failure to submit the abovementioned documents by the deadline will result in career operations and the possibility of taking exams being stopped.

Career operations will be available again after submitting the abovementioned documents.

Art. 4 - How to apply

In order to participate in this selection, aimed at getting early admission to one of the two years' International Master's Degrees, under penalty of exclusion from the selection process, must correctly fill in all the parts of the on-line application form on the website <http://www.unicaladmission.it/> and upload the documents required. Applications must be submitted within 23:59 (Italian time) of 14 April 2022.

Art. 5 - Admission

The slots for two years' International Master's Degrees will be assigned according to merit rankings established for each Degree Course, consistently with the criteria provided by each department and based on the slots reserved to international students.

If two applicants obtain the same score, the younger will prevail.

Applicants holding an appropriate position in the merit ranking, according to the number of slots available in each Degree Course, will be declared winners.

The winners appearing in the merit rankings published on the website <http://www.unicaladmission.it/> will receive on their personal email address provided in the application form the enrolment process and terms.

Art.6 - Enrolment

The enrolment process is finalized through <https://unical.esse3.cineca.it> clicking on menu -> registrar's office -> admission test, paying a 16.50 euro registration fee, which must be done within the enrolment deadline that will be available once the merit rankings list are published. Payments made with methods other than those indicated do not constitute proof of completed registration, nor do they give the right to refund.

Enrolment carried out before obtaining the admission qualification is to be considered 'under condition'; To take advantage of educational services and diritto allo studio benefits, it is mandatory to provide the data relating to graduation by 11/30/2022. Failure to obtain the admission qualification within the aforesaid deadline will result in the applicant's enrolment withdrawal and losing any benefits acquired.

Early enrolment procedure in the chosen Master's Degree course must be done within 06/30/2022. Failure to enrol within the previously mentioned terms and conditions will lead to the applicants losing their right to enrol in the chosen Degree Course.

Art. 7 - Early admission from waiting list

Any slots remaining vacant after the acceptance procedure mentioned in art.6 will be assigned from the waiting list on the relevant ranking.

Applicants will be declared 'winners from waiting list' if they appear in an appropriate position in the ranking according to the slots left for each Degree Course.

Winners from waiting list appearing on the merit rankings published on the website <http://www.unicaladmission.it/>, must follow the acceptance and enrolment procedure established in art. 6.

Art. 8 - Scholarships and Services

Appendix A

Notice in pursuance of art. 13 of Regulation (EU) 2016/679 (GDPR)

This notice constitutes an obligation provided for in Regulation (EU) 2016/679, General Data Protection Regulation (hereinafter referred to as GDPR), that, in pursuance of art.13, stipulates that data subjects must receive the necessary information and that their personal data must be processed in a correct and transparent way. This notice is addressed to those who work at Università della Calabria.

Data Controller: Università della Calabria.

Data Protection Manager: Dr. Gianpiero Barbuto, Head of Internationalization Division (email: welcomeroffice@unical.it);

Data Protection Manager: Dr. Gianfranca Russo, Head of Organisational Unit for Educational Services at Università della Calabria (email: servizididattici@unical.it);

Data Protection Officer: Atty. Sergio Niger (email: rpd@unical.it).

Purposes and legal references for processing data

The processed data, provided upon request to participate in the competition for admission to degree courses or, after this stage has been completed, upon enrolment and during the education path until the final graduation exam takes place, are collected and used within the limits set by laws and regulations or treaties, for institutional purposes. It is hereby specified that data are processed according to the general principles of lawfulness, transparency, fairness, accuracy, minimization, confidentiality and integrity in pursuance of art. 5 GDPR and that they will be processed exclusively to carry out administrative and educational activities. The University can also process personal data for statistical and scientific purposes, as well as to favour the analysis and improvement of activities and services related to teaching, research and the right to study.

Processing methods and data subjects

The personal data requested and acquired are collected and processed, both in paper and with digital (ICT) tools, for purposes related to the University's institutional activities.

In order to calculate fees and taxes, the University accesses the income data of the student's family. The data are mostly processed by means of ICT systems in order to calculate taxes and tuition fees.

The data are also communicated to the Public Bodies that provide supervision (for example, Agenzia delle Entrate, INPS, Guardia di Finanza and Questura).

Any sensitive and/or legal data will be processed in compliance with GDPR and with the Regulation for sensitive and legal data of Università della Calabria.

Providing some personal data (surname, name, residence, tax code, e-mail) and the submission of copies – even digital – of some documents (e.g. passport, residence permit, qualifications held) is necessary to establish a relationship between the student and the University. This submission is, therefore, mandatory. Failure to submit these data will make it impossible for the University to establish the relationship and the relevant administrative procedure.

Data Subjects' Rights

Data subjects have the right to ask the Data Controller, in the cases provided for, to access their personal data, correct or delete them, limit the processing of their data or to oppose the processing (art 15 and subsequent articles of GDPR). They exercise these rights by writing to the Data Controller. If you are a minor, before communicating your data to the University, you must read the notice carefully with your parents or someone in their place. A more detailed **notice** is available at the address unical.it/privacy.
