Scientific Network In Collaboration With The Following Institutions Abroad

- **Columbia University** – Dep. of Chemistry – New York, USA
- **Thomas Jefferson University** – Kimmel Cancer Center – Philadelphia, USA
- **University of Texas** – Southwestern Medical Center – Dallas, USA
- **Iowa State University** – Dep. of Biochemistry, Biophysics and Molecular Biology – Ames, USA
- **University of California Berkeley** – Dep. of Nutritional Sciences and Toxicology, USA
- **Baylor College of Medicine** – Texas, USA
- **University of California**, San Diego School of Medicine, USA
- **University of Geneva** – Dep. of Cell Biology - Switzerland
- **Renè Descartes University** – Dep. of Pharmacy – Paris, France
- **University of Montpelier II** – Dep. of Chemistry – Montpelier, France
- **University of Jagiellonian** – Institute of Zoology – Poland
- **EMBL** – Heidelberg, Germany
- **TNO Nutrition and Food Institute** – Utrecht, The Netherlands
- **Complutense University** – Madrid, Spain
- **King’s College London** – Dep. of Pharmacy – London, United Kingdom
- **University of London** - Imperial College – United Kingdom
- **University of Birmingham** – School of Medicine – United Kingdom
- **China Pharmaceutical University of Nanjing** – China
- **Pharmaceutical University of Tohoku** - Japan
