

Coordinators

Coordinator of the PhD school (XXXIII and XXXIV Cycles):

Prof. ANDO' Sebastiano

Full Professor of General Pathology

Department of Pharmacy, Health and Nutritional Sciences

Office: +39 0984 496201

email: sebastiano.ando@unical.it

Website: Prof. Sebastiano Andò

Coordinator of the PhD school (from XXXV Cycle):

Prof. CATALANO Stefania

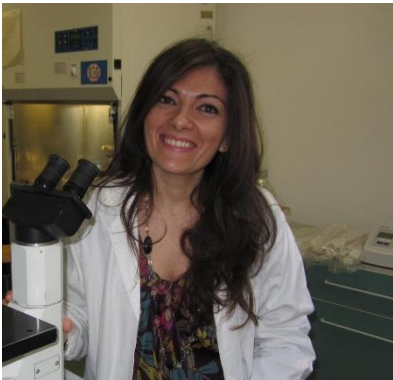

Full Professor of Clinical Pathology

Department of Pharmacy, Health and Nutritional Sciences

Office: +39 0984 496207

email: stefania.catalano@unical.it

Website: Prof. Stefania Catalano

Deputy Coordinator of the PhD school (from XXXVIII Cycles):

Prof. BARONE Ines

Associate Professor of Biotechnology and Methods in Laboratory Medicine

Department of Pharmacy, Health and Nutritional Sciences

Office: +39 0984 496216

email: ines.barone@unical.it

Website: Prof. Ines Barone

Coordinator of Curricula: *Molecular basis of diseases and pharmacological approaches for translational medicine*

Prof. Sisci Diego

Full Professor of General Pathology

Department of Pharmacy, Health and Nutritional Sciences

Office: +39 0984 496211

email: diego.sisci@unical.it

Website: [Prof. Diego Sisci](http://Prof.DiegoSisci)

Coordinator of Curricula: *The design of innovative molecules for both diagnostic and clinical use*

Prof. TOSCANO Mariarosa

Full Professor of Inorganic Chemistry

Department of Chemistry and Chemical Technologies

Office: +39 0984 492108

email: mariarosa.toscano@unical.it

Website: [Prof. Mariarosa Toscano](http://Prof.MariarosaToscano)
